

## Class History

The Class History feature provides you with a chronological summary of the courses you have taken. This includes both courses taken at USA as well as transfer courses, if applicable.

- To display the Class History simply click the **Class History** Link from the features available on the **Worksheets** tab.

- While the Class History does not serve as an official transcript, it provides you with a list of grades for all previous semesters at the University. Here is a sample Class History:

A screenshot of a web browser window titled 'Class History - Mozilla Firefox'. The page displays the 'University of South Alabama Student Course Summary' with a disclaimer: 'Disclaimer: This is not an official transcript.' Below this is a 'Class History' section with a table of student information. The table has columns for Student, JAG Number, Class, USA GPA, Level, Degree, College, Holds, and Athlete. The student's information is: Undergraduate, Bach of Sci Information Sys, School of Computing, 4.00, Yes. Below the student information is a table of courses taken, organized by semester. The 'Fall 2011' section lists courses CA 110, CH 131, CIS 1002A, CIS 120, and MA 1713A, each with a grade and credit hours. The 'Spring 2012' section lists CH 131L and CIS 1384A. Each course entry includes the course code, name, grade, and credit hours, along with a 'Transferred from' section listing the original course and institution.
